

Little Cubs Daycare, Cubbies Daycare, Bear Care (When sending your reply back, pick your favorite name for our Daycare, or give us another idea.)

Bishop Garrigan Schools is looking to start a daycare! We want to share some ideas we have and hear feedback from you. Do you see a need for a daycare facility in Algona? Here are some of our early ideas for our daycare. \_\_\_\_\_ Daycare will be open twelve months a year and located in our Seton building. We will be licensed through the state of Iowa. Tentative hours will be from 6:45 a.m.-5:15 p.m.. Children six weeks through twelve years of age can be a part of our day care. Dependent on number of children, the cost per child will be in the range of \$150-\$170 per week, payable each week. School age children can attend the Before and/or After School Program. The Before & After School program will be \$5 a day. Families in our system will be served first. If spaces are available, we'll open it up to other families.

Are you, or do you know someone, in need of daycare? Please call or email Kristie Hough at 515-295-3509 or email [houghk@bishopparrigan.org](mailto:houghk@bishopparrigan.org) with any questions or interest.

If there is an interest in a daycare being started, we will be looking to hire child care workers. Would you be interested in employment? If interested, please call or email Kristie Hough with questions or interest at the phone number or email above.

If you know other families not within the Bishop Garrigan family, please feel free to forward this to them.

Lynn Miller, Wendi Meister, and Kristie Hough
