

Bishop Garrigan and all other schools in Iowa will be closed until mid-April due to the COVID-19 pandemic. We will be doing work online during this period.

- You should check <http://bggoldenbears.org/burrow/> every couple of days. (You may need to refresh the page to see the latest information.)
- Notes will be posted, usually as .pdfs over material we will be covering. You should be able to access these with either a computer or your phone.
- Worksheets you should look at will also be posted as .pdfs. Normally the answers to these worksheets will be given as separate documents.
- A variety of other resources will also be available, as needed.
- Every few days there will be an online quiz. (There is one for each class posted already.) You **MUST** take the quizzes, and they **WILL** count toward your grade. You may use any notes or resources for them. The point of the quizzes is to make sure you've at least looked at the notes and assignments.
- Shortly after we're back at school, you should expect a major test over the material you've learned while school was closed.
- If you have questions about anything, feel free to e-mail me at burrowd@bishopgarrigan.org.
