

Bishop Garrigan Yard Paws Library Fundraiser

Here's your chance to purchase a BG yard paw and support our library at Bishop Garrigan. Our last yard paw order raised over \$700 which is the library's biggest fundraiser by far. The attached sheet shows both the paw and the attachments that are available. Please indicate which choices you would like on the form below. Please note you do not have to order any attachments. The paws look great with or without them. Orders are due back to the school offices at either Seton or Garrigan on **October 30**. Checks should be made out to **Bishop Garrigan**. All profits from this purchase will go to our school library at Bishop Garrigan to purchase new books. There is a sample sign in the Garrigan school office if you would like to take a closer look. Thanks in advance for your support.
