Funds for Fedoras Program

Earn cold hard cash for your school programs & activities.

Collect the Godfather's fedora and earn money for your school. It's easy to do. Simply order your favorite Godfather's Pizza pie, cut the fedora off the side of the pizza box, and take to your school's collection box or other designated drop-off point. Fedoras can be found on medium, large and jumbo pizza boxes.

Your school will earn \$0.25 for each fedora returned. That can add up to some serious cash! And it's easy. Enjoy pizza and earn money for your child's school at the same time. Now that's an offer you can't refuse.

Available at participating locations.
