TICKET INFORMATION

Concert tickets are sold as a membership subscription series. Single-event tickets are not available.

In order to establish our concert budget, reserve artists a year in advance and operate a successful, non-profit volunteer organization, we must sell our season tickets as a subscription package. During our long and successful history, we have only sold tickets as a subscription series.

Each spring (March – May), we conduct our annual ticket drive. Ticket holders are contacted personally for the opportunity to renew.

Season Tickets can also be purchased:

During annual ticket sales drive at the following locations:

- Brown's Shoe Fit (103 East State Street, Algona IA),
- Algona Chamber of Commerce (123 East State Street, Algona, IA),
- Nymen's TV (102 E Ramsey St, Bancroft, IA)

By mailing payment and ticket order form to KCCA, 1311 – 210th St., Algona, IA 50511

Season Tickets will also available for sale at events during the concert season.

All tickets will be mailed by September 1 for the beginning of the fall season. Seats in the Wilcox Performing Arts Center are general admission – no reserved seating.
